

## Refund policy

As per our refund policy, students can avail of the two days free classes, and if they find the course not suitable, they can cancel their admission within these two days. In such cases, we will provide a full refund of the course fee paid by the student, without any deductions.

However, if a student wishes to cancel their admission after the two days of free classes, we will not be able to provide a refund for the course fee. We understand that unforeseen circumstances may arise, and in such cases, we will try to accommodate the student to the best of our ability. For example, if a student has to withdraw from the course due to a medical emergency or a family crisis, we may consider providing a partial refund.

To initiate a refund, the student needs to notify us within the two days of attending the course. The refund will be processed within 15 working days from the date of the request.
